**To All it May Concern:**

**THE HOUSE OF INFINITE ABILITY YOUTH FOUNDATION INC. & INFINITE ABILITY SPORTS ACADEMY (IASA)** is a community service network for all to access.

**ABOUT INFINITE ABILITY SPORTS ACADEMY (IASA):**

We serve both youth boys and girls from low-income families in the Surrounding neighborhoods of Los Angeles County as well as the City of Sacramento Metropolitan area.

Our Youth Foundation's objective is to provide youth in low income families with an after-school program geared toward instruction, tutoring, and mentoring in physical fitness, class preparation, and special arts programs; such as music and arts & crafts. There will also be access open to other communities as well.

We are here to facilitate any issues concerning our community's **ADVANCEMENT**. Without advancement comes **STAGNATION**. **The Foundation & IASA (The House)** does not guarantee success, but it guarantees, what we call **OUR B.C.'s: Be Courteous, Be Consistent, and Be Compassionate**.

Our main goal is creating community interaction through youth recreation. We create the inspiration to give back to the individuals who are collectively in the communities.

**IASA Mission Statement Objective:**

The House of Infinite Ability Youth Foundation and Sports Academy is here to inspire our youth, regardless of race, color, creed, or national origin. Furthermore, to practice the ideals of health, citizenship and character, as well as implementing the game elements of safety, sanity, and intelligent supervision; to keep the welfare of the player first, and to emphasize teamwork for all participants.

*Everyone is a winner at IASA!*

Sincerely,  
The House and IA Sports Academy
